RE: Political Action Committee of the American Association of
Orthopaedic Surgeons
FEC ID # C00343137

Dear Ms. Kitchen:

As we discussed this morning, here is an amended Statement of
Organization from the Political Action Committee of the American
Association of Orthopaedic Surgeons.

I have made two amendments:

- Changed the address of the Political Action Committee from the Association's Rosemont office to the Association's Washington DC office; and
- Checked that the American Association of Orthopaedic Surgeons is a "membership organization." Please note that while the Association is the primary membership organization of orthopaedic surgeons in the United States, it is also an Illinois not-for-profit corporation.

Please let me know if I can further assist you.

Sincerely,

Richard N. Peterson
General Counsel and Corporate Secretary
